Introduction

This is a motor vehicle breakdown and recovery insurance designed to help keep you and your party mobile.

It is not a replacement for a motor insurance policy and does not provide cover for bodywork repairs following any accident, vandalism or theft.

It is not a maintenance policy and therefore does not cover the costs of parts or the cost of non-emergency repair work such as routine servicing or diagnostic tuning.

You are responsible for all costs for parts and labour needed to repair the insured vehicle, other than any call-out fees and labour at the scene of the breakdown.

You may be asked to sign documentation by the Recovery Agent which relate to the service being provided. Failure to do so may result in further services being denied. Please do not sign any documents until you have read and understood the content in full.

Any emergency repairs undertaken at the roadside by Recovery Agents are temporary, to resolve the immediate breakdown. These repairs cannot be guaranteed and permanent repairs will need to be effected at the earliest opportunity. You are responsible for ensuring any repairs carried out at a repairing garage are to your satisfaction.

Please note, only the Sections shown on the policy schedule apply to this policy.

Providing you have paid the appropriate premium, you will be entitled to the benefits and bound by the restrictions under each Section of this policy as shown on the policy schedule.

The General Conditions and General Exceptions apply to all Sections of the policy.
